

## Grading

Class is worth 1,000 points total.

Homework - none

Exams – none

Four written design reports - each report worth 225 points (90% of class grade) – peer evaluations by myself and your design partner (combined) can affect up to +/- 5% of each of your report grades.

Oral presentation at the end of the semester - 100 points (10% of class grade). Again, peer evaluations by myself and your design partner (combined) can affect up to +/- 5% of your presentation grade.

Attendance for final class presentations is required: 5 points will be docked from your presentation grade for each day of presentation nonattendance unless excused. This has resulted in a reduced semester grade.

NOTE: Some presentations will take place during this course's final exam time, Thursday, December 13<sup>th</sup>, 7:30 – 10:00pm.
