The course is arranged by topics, and each topic is usually covered over several lectures. There is a homework assignment for each topic, which is due at the beginning of the first class for the next topic. You can start working on some problems in an assignment before I finish the topic. Below is a tentative course schedule. There can be changes to this schedule during the semester, which will be announced in class. It is your responsibility to update course information according to announcements made in class.
